

How Does 3,2,1, Work?

Each week a parent or spectator is asked to watch the game and decide which three players put in the most effort.

The most deserving player is awarded 3 points.

The next most deserving player, 2 points.

And the third most deserving player is awarded 1 point.

It's about effort not scoring goals.

These are recorded on the slip of paper provided.

Once completed it is sealed in an envelope. Write the date and the team's name (or the coach's name) on the front of the envelope. Coaches are to collect the envelope after the game and keep them securely together.

The duty of awarding points is cycled through all the parents or carers of all players. Once everyone has done it, cycle through again.

At the end of the season the envelopes will be collected by the Club.

The envelopes are then opened, and the points tallied. Awards are announced at the Club's end of season Presentation Day.

Coaches are not to open envelopes.
