2020 Football Season

The Kootingal & District Football Club has around 400 members and fields 40 teams each year in the Tamworth competition. We routinely make the final series and win grand finals across a variety of age groups.

Whilst grading our competitive teams, our growth has come from success in providing social & family participation.

The Club relies on sponsorships to provide players a great experience. This includes professionally manufactured uniforms, quality training equipment and end of season trophies.

Sponsored funds are also used to afford functions for players and families throughout the year, team photos and a now infamous presentation day for all our age groups.

Club sponsors enjoy exposure on our website, Facebook page, at events and across the shoulders of jerseys in a team of their choice. Sponsorship is typically for a three-year period.

We offer the following sponsorship programs:

U10 yrs to Seniors- \$600 every year for 3 years (\$1800).

U6 yrs to 9 yrs- \$300 every year for 3 years (\$900).

For an extra one-off payment of \$100 you can also receive your own team shirt (No 1) with your business name and logo. Many businesses display these in their customer service area.

We'd love to talk to you more about sponsorship opportunities. If you have questions let me know.

Kind Regards

Gary Johnson
